TALARIA

User's Tasks

Release date: April, 2023

HERMES Strengthening digital resource sharing during COVID and beyond
STRATEGIC PARTNERSHIPS FOR HIGHER EDUCATION
KA226-HED DIGITAL EDUCATION READINESS
Project number 2020-1-IT02-KA226-HE-095624 - CUP B65F21000120006

Dear Colleagues,

You are welcome to test, learn and practice TALARIA software connecting to our test environment available at https://devrscvd.bo.cnr.it/

- **BEFORE** starting to use it, **please send us an email** to talaria-help@area.bo.cnr.it with Subject: "Join TALARIA test" and message: "I would like to use the TALARIA test environment exclusively for learning and training purposes"

- **IMPORTANT NOTICE**:
  The first time you connect to the test website, you will get an *HTTPS Privacy Error*. To bypass it, follow these steps:

  1. Open the link https://devrscvd.bo.cnr.it/. It returns a certificate error, mentioning that the following actions need to be done: click on advanced and proceed to open the website.
  2. Open the link https://devrscvd-api.bo.cnr.it/. Do the same actions: click on advanced and proceed to open the website.

Now, you are ready to practice with TALARIA. We propose 8 simple tasks. It should take to you max 5 minutes each.

We suggest to take for each task your notes about the problems you have encountered during the task execution, or any other comment that you feel during the task.

You can read the TALARIA software User manual or watch our training videos here: https://www.rscvd.eu/learn/talaria-software/

If you wish to stay connected with the software's developer team or send us your feedback, please contact us at talaria-help@area.bo.cnr.it

Now, let's start!

Contents

1 TASK 01

First, Sign Up to the service: create your personal account and register your library to RSCVD!
Pay attention to insert all the requested data.

Notes

Problems:..

Any comment or feeling:...

2   TASK 02

Login into RSCVD and check your library status, to see if the community manager has validated your library registration.

Notes

Problems:...

Any comment or feeling:..

3 TASK 03

Your patron has found in Pubmed a reference and has requested it to your library.
So, please, go to https://pubmed.ncbi.nlm.nih.gov/ , select one reference (upon your choice) copy the PMID, or the DOI or the exact title, and start to search it in RSCVD.
Let's suppose that you have checked in many catalogs and found a library who owns this item.
You decide to request the reference to this library: "Biblioteca Dario Nobili CNR Bologna".
Please request it.

Notes

Problems:..

Any comment or feeling:..

4 TASK 04 (continuation of TASK 3)

Unfortunately, the item you have requested during your TASK 3 has not been fulfilled by the library you have selected in the previous step. You now have a not fulfilled request and do not know where to request the item from.

So, you decide to send the same request to ALL the RSCVD libraries.

Notes

Problems:...

Any comment or feeling:...

5 TASK 05

You find in your Lending panel a request sent to you from "Biblioteca Dario Nobili CNR Bologna".
Please fulfil it sending the digital file (of course, use any fake file)

Notes

Problems:...

Any comment or feeling:..

6 TASK 06

Look at the Lending Orphaned requests.
Oh...
There are many items there waiting to find a library able to provide those documents.
Select one at your choice. (You may want to notice that you will not be able to select the item your library has requested, of course!)
Please fulfil such an item at your choice selecting as delivery method "mail" OR "fax" OR "A.E." (they work all at the same way) or, selecting "file" or "url" (these two methods work similarly).

Notes

Problems:...

Any comment or feeling:...

7 TASK 07 (continuation of TASK 4)

The item you have requested in your TASK 04 has found someone who has been able to fulfill it. Please, when you will receive the requested item, check if the document is the right one and archive the request. In alternative, if you are not satisfied with the document, maybe because it's wrong or it is corrupted, you can trash the document and send again the request. Try one of these alternatives, of your choice

Notes

Problems:...

Any comment or feeling:..

8   TASK 08

Please, tell us, which action buttons have not intuitive icons (we want to improve them)
