"A PRECIOUS NATURAL HERITAGE THAT IS  
IN CONTINUOUS TRANSFORMATION.

A SENSORY BRIDGE THAT IMMERSSES US IN  
A LUXURIANT BOTANICAL SPACE WHERE  
VISIONARY ELEMENTS REDEFINE AN  
EVOLVING NATURE INBETWEEN FANTASY  
AND REALITY."

# LUNA PARK

We are in an amusement park  
of colours, sounds, and  
perfumes. Our childish spirit  
is coming out between the  
rides and carousels, exploring  
the bizarre, chaotic, and  
extreme landscape

# Conclusione

**L'intelligenza natuare e' un presupposto indispensabile per fare ARTE.**

**L'intelligenza artificiale e' un mezzo ipotetico che senza l'intervento a priori o a posteriori dell'artista rimane ARTISTICAMENTE PARLANDO fine a se stesso.**
